## What We Do

EGL MARITIME is a fully incorporated company in the USA.

We are accredited with the Federal Maritime Commission as a fully bonded Freight Forwarder and NVOCC. Additionally, we are members of the Customs-Trade Partnership Against Terrorism (C-TPAT), the voluntary supply-chain security program led by U.S. Customs and Border Protection.

As a traditional Freight Forwarder and NVOCC, EGL MARITIME offers its customers the full range of ocean freight services including customs, drayage from port, warehousing and distribution. We have direct contracts with ocean carriers for 120 sailings and 7,000 containers per annum just from India to the United States.

## Our Global Network

We belong to the WCA network, the world's largest and most powerful network of forwarders in 180 countries with over 400 offices, to handle all your international freight requirements most competitively with greater efficiency and flexibility.

## Company Profile

EGL Maritime started out US operations as Eagle Maritime Inc in 2003 as part of Eagle Maritime Pvt. Ltd. and Global Cargo Forwarders (GCF) Group in India. In 2008, we became Eagle Maritime of America Inc doing business as EGL Maritime a separate entity which works closely with earlier partners and also with other network agents in India and worldwide. Over the years we are proud of having clients, partners and agents most of whom have been working with us now for over a decade due to our consistent service standards, efficient execution of operations and ethical standards. We are proud to be one of the top freight forwarders for home accents and furniture from India.

## Air Freight

Whether you're flying Cell phones to Dubai... medical equipment from Boston... or beauty products to London... count on EGL Maritime to get your airfreight where it's going on time. We are a licensed CNS-IATA agent.

We will move your international air freight shipments door-to-door, door-to-airport, airport-to-door, or airport-to-airport, regardless of size or weight. We'll even take care of customs clearance for you.

We have a complete network of IATA airfreight agents in over 100 countries to handle your import airfreight into USA.

## Ocean Freight

EGL Maritime has adapted to changes in the ocean transportation industry in their almost 15 years of operations. We have evolved and continue to evolve with customer expectations. We are accredited with the Federal Maritime Commission as a fully bonded Freight Forwarder and NVOCC. Additionally, we are members of the Customs-Trade Partnership Against Terrorism (C-TPAT), the voluntary supply-chain security program led by U.S. Customs and Border Protection. As a traditional Freight Forwarder and NVOCC, EGL Maritime offers all the ocean freight services to customers including customs, drayage from port, warehousing and distribution. We have direct contracts with ocean carriers for 120 sailings and 7,000 containers per annum just from India to the United States. However now as our clientele evolved we not only handle shipments door to door and to and fro the entire United States, but also within 3rd countries like say from Durban to Rotterdam with billing and service right here in America. We not only arrange for shipments to clients warehouse but also right up to their end users including residential deliveries both curbside and white glove.

## Land Transport

We partner with some of the best trucking and transport companies within America to offer you drayage from every port in the United States and trucking to every zip code in America. We can also assist you with your transport needs not just domestic in USA but also to Canada and Mexico. We partner with various domestic haulers and even arrange residential deliveries both curbside and white glove. Flat rack, oversized and project movements is our specialty. Call us at 1-201 610 0100 or email [info@eglmartitime.com](mailto:info@eglmartitime.com) for your next move.

# Warehousing

Warehousing is key to efficient end to end logistic solutions. We have a network of warehouses we work with in United States and also strong 2PL partners in India, the Middle East and Far East countries. We have great relations with several strategically placed warehouses in the New Jersey/New York Metro area as well as Texas, Florida and California. Our warehouses can handle autos, FMCG, home accents, machinery, chemicals, etc. We regularly handle temperature controlled warehousing and logistics for chocolates and beverages from Europe to United States.
